

Capability Statement

Core Competencies

Government Office Technologies (GOT) prides itself on being a “Customer-First” company with **Exceptional Customer Service** and **Superior Quality Products** to the Federal and State Government Agencies, Municipalities, and commercial clients. We are a proud Woman Owned Small Business that provides an extensive product range with personalized customer support services and enhanced ecommerce services.

Our Key Advantages

- * **100% Product Availability** — GOT offers an extensive array of products, with over 40,000 SKUs on our GSA Catalog, and over 100,000 SKUs on our exclusive ecommerce platform. All the major brands your office needs and many hard to find items.
- * **Multi-Platform Ordering** — We realize that not all offices are created equal, our experienced support team allows ordering via GSA Advantage, DoD Email, our ecommerce site, email, phone and fax. Our support team is here to make your life easier and Save You Time
- * **Cost Savings**—Cost reductions is on everyone’s agenda and our team is here to not only save you money through aggressive pricing, but also to provide assistance to find more cost effective products solutions that perform the exact same function with same or better quality to back it up.
- * **Exceptional Sourcing**—Time is our most valuable commodity and we are here to help you get some back. We realize how much time can be spent finding items to fulfill a need, our team has extensive experience and is connected with over 25 suppliers to ensure we can meet your every need.
